Springtime in the Smoky Mountains!

Day 1- Depart for Smoky Mountains - Dinner (incl.)

Everyone climb on board, because we're heading for the Smoky Mountains! Sit back and relax as we're driving to our destination in one of Bianco Tours' deluxe highway coaches. When we arrive we will be stopping for an included dinner at the Old Mill Restaurant, established in 1830. Then it's off to the hotel to rest up for our big day tomorrow.

Day 2 - Cont. breakfast - Grand Illusion - Ripley's Aquarium - Dinner (incl.) - The Miracle Musical

Rise and shine! It's time for our first continental breakfast and shortly after we'll be going to the Grand Illusion Magic Show, starring Terry Evanswood. Try not to blink as he performs spectacular illusions right before our eyes. Ripley's Aquarium is the next stop on our list. The 115,000 square foot, 1.3 million gallon Ripley's Aquarium is home to 10-foot sharks, 8,000 exotic fish, and the world's longest aquarium tunnel. Now it's dinner time and we're headed to the Applewood Farmhouse for the best country cooking in the South. Following our scrumptious dinner, we are off to the Miracle Theater to see the stunning musical, The Miracle. This story is the recreation of the life of Christ told in epic proportion. Featuring an enormous cast of actors, singers, dancers, technicians and live animals you will be awed by the magnificence of this performance. From centurion soldiers on horseback to majestic kings on camels, the huge scope of this production is amazing. The curtains will rise with the dawning of creation, as the fingerprint of Christ is illustrated throughout the Old Testament. You'll be inspired and renewed as you witness the glory of The Miracle! Once the show is over, it's back to the hotel to

get some rest, because we're not done yet!

Day 3 - Cont. breakfast - Great Smoky Mountain National Park Tour - Shopping in Gatlinburg - Dinner (incl.) - Country Tonite Music Theater

Hope everybody slept well because yesterday wasn't our only full day of activities! Another continental breakfast is waiting for us before we roll on over to the Great Smoky National Park for our guided tour. Make sure you've got your cameras because you're going to want to remember this beautiful area. Grab some lunch and get ready, because we're going to the Arts and Crafts Community for a little shopping time! With shops, studios and galleries of over 80 working artists and craftsmen you're sure to find something you like. Now it's time to catch our breath with a little down time at the hotel, but we won't be there for long. Hope everyone is hungry again because we're off to the Alabama Grill, which has one of the world's largest collections of country music memorabilia. Alabama Grill may have memorabilia but now it's time for the real thing, we're heading to the Country Tonite Music Show! The award winning Country Tonite provides the best in quality entertainment with singing, dancing, comedy, gospel, patriotic, and more filling this two-hour show. Those pillows are going to feel nice after two full days of activities! Make sure you pack your bags tonight because we're leaving early tomorrow.

Day 4 - Cont. breakfast (incl.) - return home

Time to wake up one more time and come down to get our last continental breakfast. Say goodbye to the Smoky Mountains as we head back home. Thank you for choosing Bianco Tours, we hope everyone had a great time!
