Day 1

This morning, we depart on our journey to Lexington, KY with a professional Bianco Tour Director. En route, we will make stops for comfort and lunch on our own. Our home for the next four nights is the luxurious **Lexington Griffin Gate Marriott Golf Resort & Spa**. Come experience the brand new rooms and suites with the comprehensive \$30-million renovation and indulge in the upscale amenities including a full-service spa, multiple culinary options, and a new bourbon and wine tasting loft. Nestled in the Bluegrass Country hills near Lexington, Kentucky, this resort is known for its Rees Jones designed golf course and ideal location in the "Horse Capital of the World." During your stay, you can relax with body treatments at the full-service spa or perfect your skills on the 18-hole championship golf course. Take a dip in the refreshing pool complex or workout in our 24-hour fitness center. Enjoy the included bikes, pickleball courts and nightly smores. Then, retire to your spacious guest room, featuring plush Tempur-Pedic beds, marble bathrooms and upscale amenities. Shortly after our arrival at the resort we will have a cocktail sampling in the restaurant with a short story on a local distillery. Tonight's dinner is at the resort's very own historical mansion on site.

Day 2

After an included breakfast at the resort, we start our day by visiting **The Kentucky Castle**, a unique property with a storied history. Previously known as Castle Post, Martin Castle, and the Versailles Castle, this 110-acre estate is located just outside of Lexington in Versailles, KY. Not only will we get to tour the castle, we'll enjoy an included lunch while learning about the castle's history and details about the garden and property. Lavender is one of the fresh products grown at the castle and we'll have the opportunity to make a small sachet and loofah to take home. After a stop at **Old Kentucky Candies** to feed our sweet tooth, we will have the rest of the day to enjoy all the resort has to offer.

Day 3

After another included breakfast at our hotel we set out for **Kentucky Horse Park**, a real working horse farm and show facility. We'll start our self guided tour with a horse drawn trolley tour of the farm. Take in some of the many shows and don't leave before taking the opportunity to pet one of the 100 horses on site. Lunch is on our own before visiting the next Kentucky icon, **Woodford Reserve Bourbon Distillery**. We'll learn about the process for making bourbon and have an opportunity to sample their products. Dinner is included tonight at a local restaurant.

Day 4

We can enjoy a relaxing breakfast today before we depart for **The Old Kentucky Dinner Train** for a ride on the rails while enjoying an included lunch. View the rich fall colors from the beautifully restored 1940's vintage dining cars as you enjoy the scenic ride and a gourmet 3 course lunch. We'll have a short stop for some local artisan shopping before returning to our hotel. Take advantage of the hotel's included bourbon sampling this afternoon before we head out for a casual included dinner.

Day 5

We'll have one last included breakfast at the resort before departing for **Mim's Retirement Haven**, where retired thoroughbred broodmares are loved through their retirement. We'll get to hear these ladies stories and feed them a snack. Our next stop is the **Findlay Market** in Cincinnati. This is the oldest continuously operated public market which features 50 full time merchants selling meats, fish, produce, cheese, deli and ethnic foods. There are also plenty of places for lunch on our own before continuing our journey home.
