A LITTLE BIT COUNTRY

Day 1

Today, we are greeted by our professional Bianco tour guide and driver and begin our journey to Nashville, the country music capital of the world. With plenty of stops along the way we will then enjoy an included dinner before checking into our hotel downtown Nashville. The hotel is right on Broadway and close enough to walk and explore downtown nightlife and shops.

Day 2

Today is all about Country. After an included breakfast we will tour the "mother church of country music" **The Ryman Auditorium**. Your visit to this famous National Historic Landmark begins with "Soul of Nashville," a state of the art theater experience that puts you at the center of the Ryman's fascinating history as more than a century of legendary performances come to life all around you. We'll take a break and have lunch on our own before heading to the **Grand Ole Opry House** for a **guided backstage tour**. Our guide will share stories of country music's great's - from past to present. We will make time for an included dinner at **Paula Dean's restaurant** before we spend our evening enjoying the **Grand Ole Opry** - the longest running radio show.

Day 3

After another included breakfast, we check out the next leg of our country music journey - **RCA Studio B tour** and the **Country Music Hall of Fame**. We will tour the recording studio where the most famous entertainers recorded their greatest hits including Elvis, and Roy Orbison. We will have plenty of time to explore the hall of fame and see the artifacts from all of Country music's greatest starts past, present and future before joining one of

Nashville's most successful songwriters for lunch at the **Tin Roof**. This is a unique opportunity to hear major hit songs in their original form and get the inside scoop on what was going on in the songwriter's life that inspired these classics! In this interactive experience groups are invited to ask questions about the songwriting process. There will be a meet & greet with the songwriter following the performance, where all members of the group will get a photo, autograph and time to say "hello." This evening choose to enjoy heavy appetizers at the hotel's evening kickback before ending your day listening to the entertainers of your choice on your own downtown.

Day 4

After breakfast today, we will depart our Nashville hotel. We'll take time to wander the **Gaylord Hotel** which boasts amazing gardens and even an indoor river. Next we head to Louisville where we will tour the **Louisville Slugger Factory** and visit the museum. Our evening ends with a dinner cruise down the Ohio River on a historic riverboat, the **Belle of Louisville**.

Day 5

Our final day begins with the horses as we watch the race horses at **Churchill Downs**. Hear the thrilling sound of hooves pounding the dirt as horses and jockeys train right in front of you! You'll see horses gallop past at speeds up to 40 miles per hour! Our guide will share the ins and outs of training world-class Thoroughbreds while you also visit the Churchill Downs Grandstand. With all things country in our heart, we will make our way home. Thank you for travelling with Bianco Tours!
