NEW YORK CITY

Day 1

We set off on our Big Apple adventure this morning with a snack and hot coffee served by our professional Bianco Tour Director. Rest and meal stops will be made along the way before arriving at our hotel this evening in Hasbrouck Heights, NJ; our home for the next four nights.

Day 2

Following an included breakfast this morning, we depart for our first full day in Manhattan. Our first stop is the all new **One World Observatory**. Start by ascending to the top of the tallest building in the Western Hemisphere in less than sixty seconds, then look toward the horizon and feel the city's invincible spirit. Built on the former location of the Twin Towers, this observatory has something for everyone. With immersive floor to ceiling LED technology guests experience a virtual time lapse that recreates the development of New York City's skyline from the 1500's to present. Take in the 360 degree views where you can almost see forever. We conclude our afternoon with a moving visit to the **9/11 Memorial and Museum**. The museum, opened in May of 2014, displays artifacts associated with the events of 9/11, while presenting stories of loss and recovery. Visit the Memorial with it's twin reflecting pools, a powerful reminder of the largest loss of life resulting from a foreign attack. Dinner this evening will be included at the popular **Ellen's Stardust Diner** where we will be transported back in time to the 1950's. At this unique restaurant, talented wait staff belt out tunes from this fabulous era and original movies are projected onto a "drive-in theatre" screen. We return to our hotel following dinner for the remainder of the evening.

Day 3

Following an included breakfast at the hotel, we will venture into New York City for some shopping time and lunch on our own at **Rockefeller Center**. Many restaurants and shops to choose from along with icons to view such as Radio City Music Hall. This

afternoon, we take the **Best of NYC Cruise** from Pier 83. Absorb centuries of history in one mind-blowing 2-1/2 hour cruise around Manhattan with more than 101 sights to behold including a close up view of the Statue of Liberty and the Brooklyn Bridge. Upon return to Manhattan, we depart for our big night out. Take me out to the Ball Game! We're off to **Yankee Stadium** to see our beloved **Detroit Tigers** take on arch rivals, the **New York Yankees**, in what is sure to be a thrilling American League showdown. Dinner will be on our own this evening at this amazing ball park.

Day 4

After our included breakfast, we depart for another action packed day in Manhattan. Our first stop is the **Central Park Zoo**. Just a few yards from 5th Ave., this zoo contains over 130 different species ranging from Snow Leopards to Tropical Birds. A walk around the Zoo's five plus acres will take you through a variety of habitats, all carefully designed to recreate the natural environment of the animals they house. We will have a chance to do some shopping and get some lunch on our own at **Times Square's Restaurant Row** before departing for a **tour of Manhattan aboard a Double Decker bus!** Via this narrated tour, we'll experience the exhilarating sights and sounds of this magnificent city and witness notable landmarks such as Times Square, Chinatown, Empire State Building, Greenwich Village and SoHo. Dinner this evening is at **Naples 45** located in the historically beautiful MetLife Building serving up the most delicious New York Style Pizza before returning to our hotel for the evening.

Day 5

A final breakfast will be included this morning before departing for home. We will make rest and meal stops en route for our comfort and convenience. Thank you for choosing Bianco Tours and we look forward to seeing you on your next tour.
