**Day 1**  
Our New England Extravaganza begins as you are met by our professional Bianco tour director and driver. A scenic drive will bring us to our home for the first night in Stroudsburg, PA. During our journey we will make plenty of stops to stretch and get something to eat. Be sure to get some rest as we are making our way to Newport, Rhode Island and Cape Cod tomorrow.

**Day 2**  
After an included breakfast this morning, we continue our journey to Newport, RI, the "Ocean State." We'll start with an included lunch before we meet our local guide. Enjoy the charm of Newport's historic buildings and restored homes on this **narrated tour** covering over 150 points of interest. Take in the rugged beauty of

Ten-Mile Ocean Drive and the fabulous mansions along tree-lined Bellevue Avenue. Admission is included for a self-guided tour of the **Breakers Mansion**. The Breakers is the grandest of Newport's summer "cottages" and a symbol of the Vanderbilt family's social and financial preeminence in turn of the century America. This afternoon we will depart for Cape Cod, and check into our home for the next four nights, the newly opened **Margaritaville Resort**. Your getaway starts the moment you step through the doors of Margaritaville Resort Cape Cod, where you'll discover a nautical-inspired space with a timelessly tropical flair. Dinner is included this evening at the resort.

*continued on back*

**Day 3**

After an included breakfast at our resort, we will meet our local guide and travel historic Route 6A winding through centuries of Cape Cod history as we proceed to the Cape Cod National Seashore in **Provincetown**. We will ride a **Dune Buggy** through the protected lands of the seashore as we look for the Dune shacks on our route. After lunch and time to explore on your own, we will board an excursion vessel for an amazing experience of **whale watching**. We will travel into the natural habitat of a diverse marine environment including birds that migrate here from all over the Atlantic, and fish which use these shallow waters to feed. Try to spot Humpback, Minke and Fin whales. Don't worry – the onboard naturalist will help you know which whales are which. Dinner is included again this evening.

**Day 4**

This morning we can enjoy another included breakfast before meeting our local guide to experience **Hyannis**. The tour will include views of the John F. Kennedy Memorial, the Korean War Memorial, Hyannisport, and a St. Francis Xavier Church, the summer parish of the Kennedy Family. From there we will visit the **Whydah Pirate Museum**. The Whydah was a fully rigged galley ship that was built by the British. During one of its voyages in 1717, it was captured by the famed pirate Samuel "Black Sam" Bellamy. During an infamous storm off the coast of Cape Cod the Whydah sank, laying its treasure just 500 feet off the shore for over 300 years. Now you can touch and see the world's only authenticated pirate treasure. We will enjoy some free time and lunch on your own today on Main Street before returning to the

resort for a free evening where you take advantage of the many options at the Margaritaville Hotel. Or if you'd prefer, you can choose to stay downtown and explore on your own.

**Day 5**

Today we will have our included breakfast before meeting our local guide and traveling to America's Hometown - **Plymouth, Massachusetts**. We will have picture stops at Plymouth Rock and the Forefather's monument, before exploring the Mayflower II. Next, we will embark on a **Lobstering Eco Tour** cruise where we will discover the diverse marine life and roll up our sleeves and learn to haul in real lobster traps. Our afternoon is spent in **Sandwich** - the oldest town in Cape Cod. We will finish tonight with an included **lobster dinner**. This is a must for any East Coast experience- don't worry, there are other choices for landlubbers.

**Day 6**

After another included breakfast at the resort, it's time to pack our things and head for Albany, NY where we will take a scenic cruise down the **Hudson River**. While we enjoy a light lunch, we will learn about notable sights in Albany as we enjoy scenic views and music. We end our evening in Victor, New York where we will spend the night.

**Day 7**

After breakfast today we complete our journey home making rest and meal stops en route for your comfort and convenience. Thank you for sharing this wonderful journey with us! We hope to see you on the next exciting Bianco Tour!
